---

Authorizes an unspecified amount in state general obligation bonds and appropriates the proceeds to the department of transportation for expansion of I-494 between Cedar Avenue and T. H. 100 to provide four lanes in each direction. Requires the department to ensure that after the project is completed Lyndale Avenue South and Penn Avenue South will continue to have access in both directions to I-35W and I-494 unless the department determines that continuing this access would impede traffic and constitute a safety hazard.
