This publication can be made available in alternative formats upon request. Please call 651-296-6753 (voice); or the Minnesota State Relay Service at 1-800-627-3529 (TTY) for assistance. Summaries are also available on our website at: www.house.mn/hrd.

Section

- 1** **Health data generally.** Allows disclosure of private health data to county personnel or entities under contract with the county to provide welfare, public health, corrections or veterans services in order to coordinate provision of services.
- 2** **Scope.** Amends a data practices act section that references statutes outside chapter 13 which classify public health data. Specifies that private health data may be disclosed to county personnel or entities under contract with the county to provide welfare, public health, corrections or veterans services, in order to coordinate provision of services.
- 3** **Classification of medical data.** Amends the data practices act section on medical data. Specifies that such data may be disclosed to county personnel or entities under contract with the county to provide welfare, public health, corrections or veterans services, in order to coordinate provision of services.
- 4** **General.** Amends the welfare data section of the data practices act. Specifies that such data may be disclosed to county personnel or entities under contract with the county to provide welfare, public health, corrections or veterans services, in order to coordinate provision of services.
- 5** **Scope.** Amends a data practices act section that references statutes outside chapter 13 which classify welfare data. Specifies that welfare data may be disclosed to county personnel or entities under contract with the county to provide welfare, public health, corrections or veterans services, in order to coordinate provision of services.
- 6** **Corrections and detention private data.** Amends the provision of the data practices act that makes certain corrections and detention data private. Specifies that such data may be disclosed to county personnel or entities under contract with the county to provide welfare, public health, corrections or veterans services, in order to coordinate provision of services.

Section

- 7** **Veterans service officer.** Amends the statute that makes applications for veterans' assistance private data. Specifies that such data may be disclosed to county personnel or entities under contract with the county to provide welfare, public health, corrections or veterans services, in order to coordinate provision of services.
- 8** **Effective date.** Immediate.
