Section

- 1** **Lead hazard reduction project.** Appropriates \$300,000 from the general fund in each year of the 2004-2005 biennium for a grant to a nonprofit organization currently operating the CLEARCorps lead hazard reduction project. Requires the grant to be used to continue the lead hazard reduction project and to reduce and prevent lead poisoning in Minnesota's children. Allows the grant to be used as a match for federal funds to reduce lead hazards. Allows any balance in the first year to be available in the second year.
