Overview

Allows Ramsey County to list the amount of the library levy separately from the remaining county levies on both the TnT notice and on the property tax statement. Effective for property taxes levied in 2005, payable in 2006 and thereafter.

Section

1 Proposed notices (TnT). Allows Ramsey County to list the amount of the library levy separately from the remaining county levy on the proposed property tax notices (TnT).

Effective for TnT notices for property taxes levied in 2005, payable in 2006 and thereafter.

2 Property tax statements. Provides that if Ramsey County levies for public library service, the amount attributable for that purpose may be listed separately from the remaining county levy amount on the property tax statement. (Same change as in section 1 except on the property tax statement.)

Effective for property tax statements for taxes payable in 2006 and thereafter.

Both of these provisions were adopted by the 2003 Tax Conference Committee, and they were inadvertently left out of the final conference committee report. They were also included in the 2004 Tax Omnibus, which was not enacted.
