Overview

Under current law, a school district operating and maintaining an ice arena may levy for the net operational costs of the ice arena. The levy may be limited to 90 percent of the net actual costs of operation of the arena for the previous year. 10 districts currently levy a total of \$900,000 under this levy authority.

This bill increases the levy from 90 percent to 100 percent of the qualifying costs.

Section

- 1 Ice arena levy.** Increases the ice arena levy from 90 to 100 percent of each district's actual costs of operation of the arena.
