---

### Overview

Excludes military disability payments and death benefits paid to survivors from the definition of household income used in determining eligibility for the renter and homeowner property tax refunds.

#### Section

- 1** **Household income; property tax refund.** Provides a subtraction from the definition of household income used to determine homeowner and renter property tax refunds for military disability payments and death benefits received by survivors.

Effective for property tax refund claims based on rent paid in 2007 and taxes payable in 2008 and following years.
