Overview

This bill appropriates \$2,000,000 in fiscal year 2008 and \$2,000,000 in fiscal year 2009 from the general fund to the commissioner of public safety for youth intervention programs under section 299A.73. The grants must be used to help existing programs serve unmet needs and fund new programs in underserved areas. The appropriation is added to the department's base budget. Under section 299A.73, grants are contingent upon the agency having obtained local matching funds in an amount that is two times the amount of the grant.
