### Overview

Requires the Commissioner of Administration to maintain a Web site with a searchable database on state contracts and grants.

#### Section

**1** **Web site with searchable database.** Requires the Commissioner of Administration to maintain a Web site with a searchable database providing the public with information on state contracts, including grants. Requires the database to include the following information for each contract:

- name and address of the entity receiving the contract and the name of the agency entering into the contract;
- whether the contract is for goods, professional services, other services, or is a grant;
- a statement of the purpose of the contract or grant;
- the amount of the contract or grant; and
- the dollar value of state contracts and state grants the entity has received in each of the last 10 fiscal years.

**Section**

Requires information to be on the database within 30 days of entering into a contract.

**2**     **Appropriation.** Appropriation to the Commissioner of Administration for purposes of section 1.

**3**     **Effective dates.** Specifies a phase-in period for showing historical information on state contracts and grants.
