Overview

Makes an unspecified general fund appropriation in fiscal year 2008 for supplementary staff development aid that is available to school districts not making sufficient progress or needing assistance in making adequate yearly progress under the No Child Left Behind Act.

Section

1 **Supplementary staff development aid.** (a) Makes school districts not making sufficient progress or needing assistance in making adequate yearly progress under the No Child Left Behind Act eligible for supplementary staff development aid.

(b) Makes supplementary staff development aid equal to two percent of the formula allowance for that year times the number of adjusted marginal cost pupil units attending sites within eligible school districts.

(c) Requires the staff development aid under this section to be reserved and used for staff development activities. Requires the aid to be allocated according to a school board plan.

2 Makes this section effective for revenue for fiscal year 2008.
Appropriation. Makes an unspecified general fund appropriation in fiscal year 2008 to the education commissioner for supplementary staff development aid.
