Overview

This bill clarifies some aspects of the Land Planning Act and eliminates outdated or erroneous references.

Section

- 1 Plan review.** This section clarifies that the requirement that an agency approve or deny a written request within 60 days does not apply to the Metropolitan Council's review of comprehensive plans of local government units.
- 2 Hearing eliminated; references updated.** Eliminates the option for a local governmental unit submitting a comprehensive plan or for other affected local governmental units to request a hearing prior to the Met Council's response to the plan. Changes the 1976 session law reference to the land planning act to the statutory reference.
- 3 Eliminates reference.** Eliminates a reference to a subdivision providing for the adoption of interim ordinances in the statutory description of the land planning act.
- 4 Eliminates reference.** Eliminates a reference to a subdivision providing for the adoption of interim ordinances in the statutory description of the land planning act.
- 5 Eliminates reference.** Eliminates a reference to a subdivision providing for the adoption of interim ordinances in the statutory description of the land planning act.
- 6 Metropolitan systems statements.** Eliminates reference to system plan amendments made prior to January 1, 1978. Clarifies that the Met Council must prepare and transmit system statements when it updates or revises its comprehensive development guide or when it amends or modifies a metropolitan system plan. Clarifies that a local unit of government has three years after receipt of a system statement in conjunction with a decennial review to
