Section

- 1** **Blood lead level guidelines.** Amends § 144.9504 by adding subd. 12. (a) Requires the commissioner to revise clinical and case management guidelines by January 1, 2011. Specifies that these guidelines must include recommendations for protective action and follow-up services for child blood lead levels that exceed 5 µg/dL. Requires the new guidelines to be implemented to the extent possible with available resources.
- (b) Requires the commissioner of health to consult with certain entities and organizations when revising the guidelines for blood lead levels greater than 5 µg/dL.
