### Overview

H. F. 830 expands the definition of agricultural products to include the commercial processing of milk into cheese products provided the property also contains the homestead of the owner of the property.

#### Section

- 1** **Class 2; agricultural products.** Expands the definition of “agricultural products” to include the commercial processing of milk into cheese products provided the property also contains the homestead of the owner of the property. Also provides that real estate of less than 10 acres that includes a residential structure, and that is used for the commercial processing of milk into cheese products, shall be classified agricultural.

Effective date needs to be changed to assessment year 2010 and thereafter, for taxes payable in 2011 and thereafter.
