Article 1

PUBLIC HEALTH

Section

- 1** **Establishing fees; definitions.** Amends § 157.16, subd. 3. Provides that youth camps that pay additional food and beverage establishment fees need not pay additional youth camp fees, too.
- 2** **Fee revenues.** Amends § 214.06 by adding subd. 4. Provides that all fee revenue collected by the health-related licensing boards is deposited into a dedicated account and annually appropriated to the boards. Transfers the current balance in the health-related boards account to the dedicated account. Requires the boards to annually report spending and revenue to the legislature and the public. This section is effective July 1, 2011.
- 3** **Fees, manufactured home parks and recreational camping areas.** Amends § 327.15, subd. 3. Provides that operators of a manufactured home park shall pay only one base fee.
- 4** **Food support for children with severe allergies.** Directs the commissioner of human services to seek a federal waiver for the supplemental nutrition assistance program in order to increase the income eligibility to 375% of federal poverty guidelines for infants and children in order to treat or manage life-threatening food allergies.

Article 2

APPROPRIATIONS

This section includes budget changes for the commissioners of health and human services, as well as for the health-related licensing boards, the emergency medical services board, and the ombudspersons for families and for mental health and developmental disabilities. See spreadsheet for details.
