Bill Summary

FILE NUMBER: H.F. 2499 **DATE:** March 18, 2010
Version: First committee engrossment (CEH2499-1)
Authors: Mullery and others
Subject: Study of educational career path options
Analyst: Kathy Novak

This publication can be made available in alternative formats upon request. Please call 651-296-6753 (voice); or the Minnesota State Relay Service at 1-800-627-3529 (TTY) for assistance. Summaries are also available on our website at: www.house.mn/hrd.

This bill requires the Minnesota State Colleges and Universities in conjunction with business and industry groups and labor unions to study options for lower credit credentials recognized by employers that could be combined into an educational career path leading to a diploma or degree. The study must recognize the need for workers and other job training programs. A report to the legislature is required.
