### Section

- 1** **Charges; net revenues.** Amends § 444.075, subd. 3. Requires public water suppliers that serve more than 1,000 people to charge rates that, in total, *at least* cover the costs of providing the services by January 1, 2012, and states that excess charges must be used to cover the costs of future construction, repairs, maintenance, and improvements.
- 2** **Public water suppliers.** Adds § 446A.051, subd. 4. Requires public water suppliers to operate so that the sum of all charges are covering their costs in order to be eligible for loans or grants administered by the Public Facilities Authority.
