Section

- 1** **Deposit receipts.** Requires a state agency to deposit daily receipts totaling \$1,000 or more (instead of the \$250 or more in current law).

- 2** **Registration; combined charities.** Current law requires federated funding organizations that apply to participate in the state employee combined charities campaign to pay a fee of the lesser of \$100 or ten percent of funds raised from state employees in the last campaign. This section requires these fees to be deposited in the special revenue account, and appropriates the revenue to MMB for costs associated with administering the annual campaign.
