Overview

School boards may only levy the amounts permitted by statute or otherwise approved by the voters. This bill authorizes school districts annually to levy up to \$200 per pupil by school board action in years when there has been no increase in the general education basic formula allowance.

Section

- 1 Discretionary levy authority.** Authorizes school districts annually to levy up to \$200 per pupil by board action in years when there has been no increase in the general education basic formula allowance.
