Section

- 1** **Donation to sick leave account.** Under current law, a state employee may donate up to 12 hours of vacation leave each year to the sick leave account of other state employees. This bill changes that law in several ways including:
- The limit is increased to 40 hours each year.
 - The law is expanded to apply to donation of sick leave in addition to vacation leave.

Donations may be used for a total of up to 1044 hours during the duration of eligible employment.
