Re-imposes a limit that expired May 31, 2010, that prohibits a political subdivision from advertising, promoting, expending funds, or holding a referendum to support imposing a local sales tax unless it is for an existing tax or for a tax authorized by special law prior to May 24, 2011-the end of the 2011 legislative session. The new limit would be effective for another two years, until May 31, 2013.
