### Overview

This bill makes clarifying and conforming changes to DWI license revocation provisions that were amended last year in Laws 2010, chapter 366.

- 1**      **Revocation periods for DWI convictions.** Contains technical language changes. Also recodifies language repealed in section 5 and places all relevant language in one section.
- 2**      **Applicability of implied consent revocation.** Strikes a reference to clause (2) and restates the language using the term "twice the legal limit" (.16 BAC) instead of "aggravating factor" (.20 BAC). (This provision is in line with changes made last year in chapter 366 throughout the license revocation provisions.)
- 3 - 4**    **Conditions of issuance/Issuance of restricted license.** Conforming changes with section 1.
- 5**      **Repealer.** Repealed language is moved to section 1.
