---

This bill directs Driver and Vehicle Services (DVS) in the Department of Public Safety to appoint a deputy registrar (to handle motor vehicle transactions such as vehicle registration and titling) as well as a driver's license agent (to handle driver licensing) in Farmington at the city hall. The bill overrides some of the requirements in law concerning such appointments, including site limitations based on distance and transaction volume related to impacts on other existing offices, residency requirements for the appointment, and county board review and "right of first refusal."

The repealer (in section 2) eliminates a similar directive enacted in the 2010 session that only dealt with a deputy registrar appointment and authorized a municipal deputy registrar.
