---

This bill increases the membership of the Office of Higher Education's (OHE) student advisory council by adding the chair of the Minnesota Student Legislative Coalition, an organization of student representatives from all five campuses of the University of Minnesota.

The advisory council now has one person representing the U of M student senate, the Minnesota state university student association, the Minnesota association of private college students, and the Minnesota career college association, and two persons representing the Minnesota state college student association.

The advisory council brings issues to the attention of OHE, makes recommendations to OHE, and approves student appointments to OHE taskforces and advisory groups.
