Overview

Specifies the content of the parent notice about the early childhood development screening program. Requires the notice to state that the screening helps the district identify children who may benefit from available community resources and that the vision screening, while helpful, is not a substitute for a comprehensive eye exam.

- 1 Screening program.** Requires the parent notice about the early childhood development screening program to state that the screening: helps the district identify children who may benefit from district and community resources available to help with their development; and includes a vision screening that may help detect potential eye problems but is not a substitute for a comprehensive eye exam.
