Bill Summary

FILE NUMBER: H.F. 529 **DATE:** March 14, 2011
Version: As amended by the author's H0529A1 amendment
Authors: LeMieur
Subject: Skylight panels/pole barns
Analyst: Anita Neumann (651-296-5056)

This publication can be made available in alternative formats upon request. Please call 651-296-6753 (voice); or the Minnesota State Relay Service at 1-800-627-3529 (TTY) for assistance. Summaries are also available on our website at: www.house.mn/hrd.

H.F. 529 directs that the State Building Code contain a requirement that skylight panels used on pole barns and similar structures must be able to bear the same weight as the surrounding roof. The language does not apply to structures that contain skylight panels that have raised curbs.
