### Overview

Provides that the notice of property valuation must contain a specific notification when a property's classification has changed from what it was in the previous year.

- 1** **Valuation notice.** Provides that the notice of property valuation sent out each spring must contain a specific notification when a property's classification has changed from what it was in the previous year. Also deletes a number of obsolete provisions in the valuation statement requirements.

Effective for assessment year 2012, taxes payable in 2013, and thereafter.
