This bill allocates \$2 million for border city enterprise zone and border city development zone tax reductions. This allocation is divided equally between the two programs (\$1 million to each), but the city can reallocate the amounts between the two programs. The allocation is divided among the qualifying border cities on a per capita basis. The five cities that qualify are Moorhead, Dilworth, East Grand Forks, Breckenridge, and Ortonville.

Effective date: July 1, 2013
