Overview

Requires parents to be notified when school personnel other than licensed school counselors perform the duties of licensed school counselors. Requires all school personnel who perform the functions of a school administrator within a single school building to be identified in staffing reports as serving in an administrative position.

Section

- 1 School counseling.** (a) Requires school districts to notify parents when school personnel other than licensed school counselors perform the duties of licensed school counselors. Does not foreclose licensure candidates in a school counselor preparation program from providing counseling to students under the supervision of a licensed school counselor.

(b) Prohibits placing school counselors in positions that prevent them from performing their duties within the scope of practice defined in rule.
- 2 Accurate reporting of school personnel.** Requires school personnel who perform the functions of a school administrator within a single school building to be identified in staffing reports as serving in an administrative position, regardless of their licensure.
