Overview

The Medical Assistance (MA) program groups specific services into a number of broader service categories; these categories are sometimes referenced in state laws that modify provider payment rates. This bill removes durable medical equipment and other items from the MA basic care service category.

Section

- 1 Durable medical equipment, prosthetics, orthotics, and supplies.** Amends § 256B.0625, by adding subd. 32a. Provides that MA coverage of durable medical equipment, prosthetics, orthotics, and supplies is not included in the basic care service category.
