Repeals the sales tax on the labor portion of maintenance and repair of electronic and precision machinery and equipment, that was imposed beginning July 1, 2013. Repair and replacement parts for this equipment are exempt under another section of law. The repeal is retroactive to June 30, 2013. Purchasers may file for a refund of any taxes paid on these services in the same manner as used for other refunds under section 297A.75.
