Overview

This bill amends current law to extend the authorization for the aggregate tax to the city of Vergas. The bill would allow the city to impose the statutory aggregate tax even if the county of Otter Tail does not.

Section

- 1 Authorization.** The city of Vergas would be given authority to impose the aggregate tax as defined in Minnesota Statutes, section 249.75, subdivision 2. If the county of Otter Tail does not impose the tax, the bill requires the county to approve imposition by the city. Under the bill, all tax revenue raised through the imposition of this tax would be retained by the city, as opposed to following the statutory remittance schedule outlined in Minnesota Statutes, section 249.75, subdivision 7. The bill also automatically terminates any city-imposed tax if the county of Otter Tail later begins imposing the tax. The city tax would be automatically repealed on the first effective date of the county tax.
