The grants are available to local, regional, state, and national organizations for enhancement, restoration, or protection of forests, wetlands, prairies, and habitat for fish, game, or wildlife. The grants may be awarded in an amount up to \$400,000 and require a nonstate match of ten percent (either cash or in-kind).

Subd. 6. Administration. Provides a total appropriation of \$1,206,000 for

Section

administration, including: \$175,000 for contract management services from the DNR; \$936,000 for administration of the council; \$45,000 for a technical evaluation panel to conduct restoration audits; and \$50,000 for land acquisition pre-transaction services of the DNR.

Subd. 7. Availability of appropriation. States that money appropriated may not be spent on activities unless they are directly related to and necessary for a specific appropriation and are specified in the accomplishment plan and may not be spent on indirect costs or other institutional overhead charges that are not directly related to a specific appropriation. States that appropriations are available until June 30, 2016, unless otherwise specified. States that appropriations for acquisitions are available until June 30, 2017, if a binding agreement is entered into by that June 30, 2016. States that appropriations for restoration or enhancement work are available until June 30, 2018, or four years after acquisition of the land being restored or enhanced, whichever is later. States that appropriations for projects receiving federal funds are extended to equal the availability of federal funding. States that funds for acquisition may be used to restore, enhance, and provide for the public use of lands acquired and that public use facilities must have minimal impact on habitat.

Subd. 8. Payment conditions and capital equipment expenditures. Requires all agreements to be administered on a reimbursement basis unless otherwise provided. Allows reasonable amounts to be advanced in some circumstances if approved as part of an accomplishment plan. Requires capital expenditures that exceed \$10,000 to be itemized and approved as part of an accomplishment plan.

Subd. 9. Mapping. Requires recipients of an appropriation to submit geographic information on lands acquired in fee that are open to the public for hunting and fishing to the DNR for mapping.
