appropriation for the Alexandria aircraft surveillance facility.

- 25** **Negotiated sales.** Makes permanent MMB's authority to use negotiated sales for sales of state general obligation bonds. Originally authorized in 2009 and extended in 2011.
- 26** **Renting out state property.** Related to the Capitol renovation project, provides that the commissioner of administration must not collect rent to recover bond interest costs or building depreciation costs for appropriations used for the project between 2012 and 2017.
- 27** **Guaranteed energy-savings agreement (state).** Modifies the statute that allows the commissioner of administration to enter into guaranteed energy-savings agreements. Provides that the commissioner must find that the cost of utility savings measures will not exceed the savings in utility operation and maintenance costs over 20 years, increased from 15 years.
- 28** **Lease purchase agreement (state).** Extends the lease-purchase agreement period from 15 to 20 years in the statute that authorizes the commissioner of administration to enter into an agreement for guaranteed energy savings.
- 29** **Public building accessibility grant program.** Establishes a new grant program in DEED for making accessibility improvements in city, county, or town buildings. Caps a local government at \$150,000 total in grants.
- 30** **Definitions (school guaranteed energy-savings agreements).** Modifies the statute that allows school districts to enter into guaranteed energy-savings agreements. Provides that contract costs may be made over 20 years, increased from 15 years.
- 31** **District action (school guaranteed energy-savings agreements).** Cross-reference to the new school energy conservation loan program, related to review of a guaranteed energy savings contract. Requires the school board to find that the cost of energy conservation measures are not likely to exceed the savings in energy operation and maintenance costs over 20 years, increased from 15 years.
- 32** **Powers and duties of board.** Gives the Perpich Center for Arts Education authority to care for, manage, and control any school as authorized in the statute.
- 33** **Interdistrict voluntary integration magnet program.** Authorizes the Perpich Center for Arts Education to establish and operate an interdistrict integration magnet program.
- 34** **Crosswinds Integration Magnet School.** Allows the Perpich Center for Arts Education to operate the Crosswinds school in Woodbury.
- 35** **Commissioner powers (commerce).** Permits the commissioner of commerce to charge fees to other state agencies, local governments, schools, and others for technical support services related to various energy savings programs in order to make the department's services self-funding.
- 36** **Definitions.** For the school energy conservation revolving loan program.

Section

- 37 School energy conservation revolving loan program.** Establishes the revolving loan program for energy improvements in public school buildings. Requires the energy improvements to be capital improvements within the meaning of the state constitutional provision for use of state general obligation bonds. Specifies application information required. Requires a loan be for no more than one-half the total project cost, have a repayment term of no longer than 20 years, bear interest at or below market rate, and finance energy improvements whose useful life is at least as long as the loan term. Requires a biennial report.
- 38 Development plan, criteria (Mighty Ducks grants).** Adds renovation and indoor air quality improvements at existing indoor ice arenas to the list of priority projects for funding. Increases the cap on grants from \$100,000 to \$200,000.
- 39 Definitions (housing infrastructure bonds).** Adds to the definition of the bonds, those bonds issued by the MHFA that finance qualified residential rental projects.
- 40 Additional authorization (MHFA).** Authorizes an additional \$35 million in housing infrastructure bonds.
- 41 Additional appropriation (MHFA).** Appropriates \$2,590,000 per year from the general fund to the MHFA for debt service on the agency housing infrastructure bonds issued, beginning in fiscal year 2015. As under current law, housing infrastructure bonds may be used to finance supportive housing, acquisition, and rehabilitation of foreclosed or abandoned housing to be used for affordable rental housing, acquisition of foreclosed or abandoned property attributable to land to be leased by community land trusts, and acquisition and rehabilitation of federally assisted rental housing. As provided in section 19, they may also be used for loans for supportive housing for homeless youth, and for women and children to provide them protection from and the means to escape exploitation and trafficking. The bonds are not GO and not backed by state's full faith and credit.
- 42 Fergus Falls regional treatment center.** Modifies and extends the 2002 bond appropriation.
- 43 Fergus Falls regional treatment center.** Modifies and extends the 2005 bond appropriation.
- 44 Bioscience development.** Reauthorizes use of the remaining money from a 2005 appropriation for a grant to the city of Worthington.

- 46 Fergus Falls - systemwide redevelopment, reuse, or demolition.** Modifies and extends the 2006 bond appropriation.
- 47 Regional and local parks grants.** Reauthorizes, modifies, and extends the use of the 2008 bond appropriation to Sartell to acquire park property.
- 48 Old Cedar Avenue Bridge.** Modifies and extends the 2008 appropriation for the project.
- 49 Effective date.** Amends the effective date relating to MMB's authority to use negotiated

Section

sales by striking the expiration date.

- 50 Old Cedar Avenue Bridge.** Modifies and extends the 2010 appropriation for the project.
- 51 Options for transfer of Crosswinds school facilities.** Permits the Crosswinds school to be transferred to either the Perpich Center for Arts Education or the South Washington County School district, but only for use as an east metropolitan area integration magnet. Provides that if the school is not transferred to either of those entities, then it may be sold at public sale for an amount at least equal to the total amount of state general obligation bond proceeds used to acquire and better the school.
- 52 Crosswinds school transition to Perpich Center for Arts Education.** Provides for the transition if the Perpich Center gets the school.
- 53 Crosswinds transition to South Washington County District.** Provides for the transition if the South Washington County school district gets the school.
- 54 Harambee Community School Transition.** Authorizes the East Metro Integration District to transfer the Harambee Community School to the Roseville district.
- 55 Repealer.** Repeals the Business Development Through Capital Projects Grant Program established in DEED to provide competitive matching grants to local governments for capital projects, scheduled to sunset June 30, 2016. It was enacted in 2012.
- 56 Effective date.** Effective the day after enactment.
