Overview

In 2011, the legislature created a task force to evaluate and make recommendations on methods to reduce prematurity and improve premature infant health care in the state. In November 2011, the task force submitted its initial report on the state of prematurity in Minnesota. This bill would modify the duties of the task force and change the deadline for its final report and expiration of the task force.

Section

- 1 Minnesota task force on prematurity.** Amends Laws 2011, first special session. Modifies the duties of the task force by removing certain items that the task force was required to consider.
