Article 1. Fair Hearings

Overview

This article modifies appeal and fair hearing requirements. It clarifies that human services judges must be licensed Minnesota attorneys and standardizes the title of “human services judge” for human services referees and judges appointed by the commissioner of human services.

- 1 Powers of the state agency.** Amends §256.045, subd. 1. Clarifies that full-time human services judges must be licensed Minnesota attorneys.

Provides a July 1, 2013 effective date.
- 2 State agency hearings.** Amends §256.045, subd. 3. Makes a technical change to clarify that the time frame for requesting a hearing to appeal an agency action is within 30 days of receipt of written notice of the action. With good cause, this time frame may be extended to 60 days. The burden is on the individual filing appeal to show that good cause exists for the extension.

Provides that in cases of alleged maltreatment of a child or vulnerable adult if a district court case is pending, the fair hearing must be suspended.
- 3 Conduct of hearings.** Amends §256.045, subd. 4. Allows a judge to hold in-person hearings by interactive video unless the appellant has a condition that substantially impairs

Section

the person's ability to participate in the hearing using that technology.

- 4 **Prehearing conferences.** Amends §256.0451, subd. 5. Allows human services judges to make and issue rulings while an appeal is pending. Makes these rulings subject to reconsideration or appeal as part of the final decision on the matter.
- 5 **Failure to appear; good cause.** Amends §256.0451, subd. 13. Allows an individual whose appeal was dismissed because the individual failed to appear for the hearing to submit written information showing good cause for failing to appear. Requires the information to be submitted within 10 working days of the dismissal.
- 6 **Decisions.** Amends §256.0451, subd. 22. Provides that the 90 day period for issuing a final ruling does not begin in cases involving maltreatment determinations or disqualifications until the licensing authority provides notice that it has made a final determination or the date the appellant files the last appeal in consolidated matters.
- 7 **Reconsideration.** Amends §256.0451, subd. 24. Changes the time limit for filing a request for reconsideration from 30 days to 10 working days. Allows additional evidence only if the appellant shows the information was not available at the time of the hearing and could not have been discovered at that time.
- 8 **Revisor's instruction.** Instructs the Revisor to substitute the title "human services judge" for the title "appeals examiner," "human services referee," "referee," or similar terms referring to referees appointed by the commissioner of human services.
