Overview

This bill modifies regulations governing motor carriers of railroad employees.

Section

- 1 **Inspection required.** Makes vehicles operated by a motor carrier of railroad employees subject to annual inspection under a commercial vehicle inspection provision.
- 2 **Motor carrier of railroad employees.** Modifies regulations governing motor carriers of railroad employees. Makes technical changes.

Subd. 1. Definitions. Clarifies the definition of “on-duty time,” which has the effect of amending the hours of service requirements for drivers. Makes a technical change to move definitions to a new subdivision (moved from the end of the section of statutes).

Subd. 2. Application. Extends the regulations for motor carriers of railroad employees to contracted carriers.

Subd. 3. Vehicle operator requirements. Paragraph (a) specifies that physical examinations must meet the same requirements that are in place for commercial motor vehicle operators, and requires pre-trip and post-trip inspections

Paragraph (b) bans both hands free and handheld cell phone use when operating the vehicle.

Subd. 4. Motor carriers of railroad employees; requirements. Expands carrier
