Overview

Increases renter property tax refunds based on rent paid in 2013 by 10 percent.

Section

- 1 Renter property tax refund increase.** Directs the commissioner of revenue to increase all renter property tax refunds based on rent paid in 2013 by 10 percent. These refunds are typically filed in calendar year 2014 and paid beginning in August 2014. Makes a general fund appropriation to pay for the increased refunds. Because the deadline for filing claims based on rent paid in 2013 is August 15, 2015, some increases will be paid in fiscal year 2016, and the appropriation is for fiscal years 2015 and 2016.
