This bill makes miscellaneous modifications and corrections to past capital project appropriations, both from the bond proceeds fund and general fund.

Section

- 1 **Cottage Grove – HERO Center.** Eliminates the match requirement in the 2014 appropriation and changes the partner from MnSCU to the city of Woodbury. Also changes the specific address.
- 2 **Early childhood learning and child protection facilities.** Allows the 2014 appropriation for the YWCA of Minneapolis project to also be used for the entire building's HVAC and sprinkler systems, and the pool walls and ceiling.
- 3 **Lake Elmo water supply.** Corrects the 2014 appropriation to refer to Inwood Avenue instead of Lake Elmo Avenue.
- 4 **Red Wing – River Renaissance.** Reduces the scope of the project funded in 2014.
- 5 **St. Paul – Minnesota Children's Museum.** Reduces the 2014 nonstate contribution from \$7.485 million to \$4 million. The appropriation for this project was from the general fund.
- 6 **West Metro Education Program; property conveyance.** Authorizes the Joint Powers District No. 6069, West Metro Education Program, to convey the real and personal property of the FAIR school in downtown Minneapolis to the Minneapolis school district and the FAIR school in Crystal to the Robbinsdale school district. The provisions that implement this transfer are in the omnibus education bill. "FAIR" stands for Fine Arts Interdisciplinary Resource.
