Provides a sales tax exemption for herbicides used under an invasive aquatic plant management permit. Only purchases by a lakeshore property owner or association of lakeshore property owners are eligible for this exemption. Effective for sales and purchases beginning July 1, 2016.

Note: Counties, cities, towns, and special districts can currently purchase these herbicides tax free under their general sales tax exemption. These purchases by local government joint powers organizations or other local government instrumentalities will also be exempt under the general governmental exemption beginning January 1, 2017.
