Overview

This bill appropriates \$3 million for the 2015-2016 and 2016-2017 school years to the Department of Education for science, technology, engineering and math (STEM) grants to school districts. Authorizes school districts to apply for grants in the form and manner specified by the commissioner of education. Limits each grant for a STEM course to no more than \$75,000.

Section

- 1 Appropriations; STEM grants.** Appropriates \$3,000,000 in fiscal year 2016 from the general fund to the Department of Education for grants to school districts of up to \$75,000 per course for science, technology, engineering and mathematics based courses.
