This bill clarifies that capital project grants made to political subdivisions with state general obligation bond proceeds and lease-management agreements for use of state bond financed facilities are not governed by the Department of Administration's grant management policies and procedures in Minnesota Statutes, sections 16B.97 and 16B.98. These grants and agreements are overseen by MMB and the provisions in Minnesota Statutes, chapter 16C, and other statutes relating to contracts (e.g., conflicts of interest) apply.
