---

This bill would extend the expiration date of the Mineral Coordinating Committee by ten years (to June 30, 2016).

The Mineral Coordinating Committee is a committee made up of the following members: commissioner of natural resources; commissioner of the Pollution Control Agency; commissioner of Iron Range resources and rehabilitation board; director of the Minnesota Geological Survey; dean of the University of Minnesota Institute of Technology; director of the Natural Resources Research Institute; and four members appointed by the governor. The committee's purpose is to "plan for diversified mineral development."
