During the 2016 session, the House of Representatives passed three omnibus supplemental budget bills and sent each to the Senate. These bills are H.F. 2749 (K-12, higher education, and budget reserve), H.F. 3931 (agriculture, environment, natural resources, jobs, and energy), and H.F. 3467 (health and human services, state government, and public safety).

The Senate amended H.F. 2749 and created one omnibus supplemental budget bill that includes all budget areas. The House of Representatives and Senate agreed to conference all omnibus supplemental budget proposals in one conference committee on H.F. 2749

Below are links to documents that summarize the three omnibus supplemental bills that passed the House of Representatives. For certain budget areas, there are links to documents prepared by the House Research Department and Senate Counsel, Research and Fiscal Analysis. These documents analyze the differences between House and Senate language and build off the “side-by-side” comparison documents created by the Revisor of Statutes for the H.F. 2749 conference committee. These documents are available from the Revisor’s website at www.revisor.mn.gov/side_by_sides/.
