Overview

This bill modifies the eligibility requirements for the family homeless prevention and assistance program which provides grants to help stabilize families who are homeless or at imminent risk of homelessness.

Section

- 1 Establishment (family homeless prevention and assistance program).** Changes the eligibility requirements for a family or person that is eligible to receive assistance through this state program to include individuals who are 24 years of age or younger. The current law allows individuals up to age 22 to use the program if they are single persons who do not have dependent children.
- 2 Set aside (family homeless prevention and assistance program).** Amends the requirement that provides that a grant must go to an area outside the Twin Cities metropolitan area to allow that grant to go to a single tribe or a group of tribes applying for a grant under the family homeless prevention and assistance program.
