Overview

This bill amends provisions relating to youth intervention program grants. “The intent of the youth intervention program is to provide an ongoing stable funding source to community-based early intervention programs for youth.” Each grant is contingent upon local matching money.

Section

- 1 Applications.** Lowers the local matching requirement for a grant from a two-to-one to a one-to-one match. Increases the grant per agency limit from \$50,000 to \$75,000.
- 2 Appropriation.** Appropriates \$5,000,000 in FY16 and FY17 for youth intervention program grants under this section.
