Subd. 8. Payment conditions and capital equipment expenditures. Requires all agreements to be administered on a reimbursement basis unless otherwise provided. Allows reasonable amounts to be advanced in some circumstances if approved as part of an accomplishment plan. Requires capital expenditures that exceed \$10,000 to be itemized and approved as part of an accomplishment plan.

Subd. 9. Mapping. Requires recipients of an appropriation to submit geographic information on lands acquired in fee that are open to the public for hunting and fishing to the DNR for mapping.

Subd. 10. Disability access. Requires recipients of an appropriation to make progress towards providing greater access to programs, print publications, and digital media for people with disabilities related to programs funded with appropriations in this article, where appropriate.
