### Overview

Changes the way the distribution of the taconite production tax dedicated to school districts is determined under section 298.28, subd. 4, para. (c)(i).

#### Section

- School districts.** Instead of distributing the proceeds of the taconite production tax to school districts in the taconite tax relief area, this bill instead directly lists the school districts that must receive the proceeds. The list of school districts includes all those districts currently receiving the taconite production tax distribution and adds two new districts.
