This bill adds provisions to the chapters related to each of the four legacy funds: the parks and trails fund, the outdoor heritage fund, the clean water fund, and the arts and cultural heritage fund. The provision added to each section prevents a previous legacy fund recipient from receiving future funds if that recipient has been found by the legislative auditor to have failed to comply with the laws, rules or regulations in the chapters related to the fund or with any other law that applies to the recipient. These requirements on the funds would become effective January 1, 2016.
