Overview

Under the statutorily prescribed cycle for reviewing and revising the state's academic standards, the commissioner of education must review and revise the state's math standards beginning in the 2015-2016 school year. This bill proposes to postpone the required revision and review of the math standards until the 2020-2021 school year.

Section

- 1 Revisions and reviews required.** Postpones until the 2020-2021 school year the education commissioner's statutorily prescribed review and revision of the state's math standards.
Makes this section immediately effective.
