Overview

Among other things, this bill creates a leadership council to advise the commissioner of human services, allows the use of unmarked cars by tobacco inspectors, and allows the commissioner to enter into contracts with tribes and the Indian Health Service to provide services and receive payment for treatment of tribal members who are civilly committed.

Section

- 1 Vehicles exempt from tax, fees, or plate display.** Amends § 168.012, subd. 1. Allows the commissioner of human services to have unmarked vehicles for the use of inspector staff when performing tobacco inspections, investigations, and surveillance. Establishes requirements for original and renewal applications.
- 2 Expenses.** Amends § 245C.10, by adding subd. 1a. Provides that the requirements for employer required background studies in section 181.645 do not apply to background studies completed under 245C (human services background studies).
- 3 Cost of care; commitment by tribal court order; any federally recognized Indian tribe within the state of Minnesota.** Amends § 253B.212, by adding subd. 1b. Allows the commissioner of human services to contract with the Indian Health Service to receive payment for the care and treatment of members of Indian tribes who have been civilly committed by tribal court order to the Indian Health Service. Allows a tribe to contract directly with the commissioner. Requires the tribal court commitment process to include all required due process protections.
- 4 Effect given to tribal court order.** Amends § 253B.212, by amendment subd. 2. Adds cross references to newly created 253B.212, subd. 1b. (Section 3 of this bill.)
