This bill amends the definition of “health care facility” in section 182.6552 for purposes of occupational safety and safe patient handling. The definition removes cross-references to Minnesota law and replaces the cross-references to the North American Industrial Classification System (NAICS) codes.

The cross-references to the NAICS codes are as follows:

- Hospital: 622110, 6222110, or 622310
- Outpatient surgical center: 621493
- Nursing home: 623110
